Dear Peter

We would like to thank you for doing a wonderful job in regards to the sale of our family home, and the purchase of our new one. Things were getting a little stressful when the previous agent we hired did not successfully sell our home.

With your intimate knowledge of all the local agents, we needed a referral quickly, and your guidance in this area was impeccable. The agent you chose sold the property in record time, for the price we needed.

Once again Peter thanks for all your recommendations and making the sale and purchase of our home stress-free.

Best regards
